

LOW LIGHT SKILL BUILDER

Course Description: The purpose of the training class is to expose the student to the proper use of the flashlight and weapon in a low light environment. To develop students confidence and ability with their handgun in defensive techniques, low light shooting situations, and threat/target identification.

*** You may attend this course with your handgun or rifle***

Course content includes:

- Safety
- Principles of low-light tactics
- How to choose and use the tactical flashlight
- Entry techniques: Solo and pair
- Using handheld flashlights in conjunction with firearms
- Search techniques in reduced light

Ammunition required: 150 handgun rounds or 150 rounds of rifle ammo

About the Instructors: Our instructor staff is comprised of subject matter experts with years of practical experience as law enforcement officers. Each instructor has been carefully selected for their operational background serving on Law Enforcement S.W.A.T. / Emergency Response Teams and/or elite units within the US Military.
