

PRECISION RIFLE 1

Course Description: This course was designed to develop the student's ability to become proficient in the operation and handling of a scoped precision rifle. Students will quickly gain experience, confidence and increase their skill level with long range shooting. Students will be presented with a wide variety of practical drills and exercises designed to serve as your starting point for utilizing a precision rifle for target shooting, big game hunting, or rural home defense. Participants will leave with a foundation on which to build their shooting skills at extended distances.

Course content includes:

- Safety
- Precision rifle nomenclature
- Weapon setup and accessorizing
- Fundamentals of long range marksmanship
- Telescopic sight theory
- Angular units of measure
- Range finding
- Effects of weather, wind and mirage
- Record keeping (D.O.P.E.)
- Live Fire exercises

Ammunition required: 100 new factory match grade rounds

About the Instructors: Our instructor staff is comprised of subject matter experts with years of practical experience as law enforcement officers. Each instructor has been carefully selected for their operational background serving on Law Enforcement S.W.A.T. / Emergency Response Teams and/or elite units within the US Military. Range 35 is dedicated to teaching modern tactics, techniques, and procedures that have been proven in high risk operations worldwide. Instructors of this course will be current and former law enforcement and/or military snipers with years of long range experience.

Pre Requisites and Equipment requirements: Qualified Civilians in Good Physical Condition. High Quality bolt gun (.308 caliber preferred, autos and other calibers permitted with prior approval), Sling, Belt, Clear wraparound ballistic eye protection, Ear protection, Rain gear, Firearm cleaning kit, Clothing appropriate for climate and conditions, Steno notebook or Logbook with pencil and pen. Water bottle or other hydration system, Ball Cap, Sunscreen, Shooting mat, Knee and elbow pads strongly recommended, Spotting scope / Binoculars (optional), Lunch. Ear and eye protection

Cost per student: \$250.00
